SUBJECT : Contract Audit Closing Statement

Contract No. AF33(657)16775
FY-1967

STATINTL

TO : Contracting Officer (Attention

STATINTL

1. This CPFF contract dated June 27, 1966, provided for follow on spare parts for the side looking radar system and associated support services (FY67). Work commenced during June 1966 and was completed during January 1969.

2. We have examined the contractor's accounting records and financial operating procedures for the purpose of determining whether the amounts claimed for reimbursement by the contractor, as represented by public vouchers submitted, constitute allowable cost under the terms of the contract. The examination was performed in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and other auditing procedures as were considered necessary.

3. The results of our examination follow:

-2-

Estimated (Change Nr 2)

Claimed Cost (Vouchers Nr 1-55)
Recommended Allowable Cost
Disapproved Cost (Credit Due)

\$ 2,800

STATINTL

* The recommended amount represents the results
of negotiations conducted on February 4, 1971
at

STATINTL

4. The total fixed fee payable to the contractor as determined
in accordance with the provision of the contract is \$140,400.

5. The contractor has certified that all Government property
provided or acquired for this contract was either consumed in the performance
of the work or is currently being used in supporting the Special Repair
Activity.

The Government property representative, has
advised your office of the disposition of Government property in message 0164
dated November 17, 1968.

6. The final voucher and all required closing documents will
be forwarded directly to your office.
